Driving Business Growth

Business Background

A York University business graduate, Richard Bolton has been marketing, selling and consulting on a broad range of technology solutions to small, medium and large companies across North America for the past 20 years. He has worked for global software organizations such as Oracle and NetSuite, gaining valuable experience in industries such as professional services, distribution and consumer products, food and beverage, high technology, healthcare and public sector government.

As President of [Centricity360](#), [Richard Bolton](#) is an independent consultant specializing in small business growth. Working one on one with his clients in a coaching capacity he first seeks to understand their business then, develops strategies and tactics to produce results. Focusing on internet marketing strategies, online selling techniques, increasing customer value and implementing value added technologies. He works with business owners, professionals, and organizations as a trusted advisor producing dynamic business growth.

Social – Volunteer Efforts

As an avid local volunteer, Richard is the Past President of the [Milton Chamber of Commerce](#) and has been the chair of the Milton Chamber Marketing and Communication Committee for the last 5 years. He was the recipient of [Volunteer of the Year Award for 2008](#) for his contributions to the new Milton Chamber of Commerce website and the Escarpment Country website to promote local tourism. He sits on the Communications Committee for the United Way of Milton and has been very active developing a social media strategy for this charitable organization. He is one of the founders and race director of the [United Way 10k Run](#), a race to support the [United Way Milton](#). Richard is proud of his commitment to business networking and has created a success networking group called [Milton Business Connections](#). Committed to youth sports, Richard teaches skiing for The [Ontario Track 3 Ski Association](#) at Glen Eden Ski and Snowboard Centre, a program for disabled youngsters.
